Fit by Five Preschool Newsletter January 2018 ®

Happy New Year!!

To start the new year off right, make sure you don't miss the registration day for the next summer camp and school year.

Registration will start for the 2018 Summer Camp, and the 2018/19 school year on Monday, January 8th at 8:00 a.m. This time is for current Fit by Five Families.

Registration is ongoing until all classes are filled. Families not currently enrolled at Fit by Five may begin registration on Monday, January 15th.

Fees have been kept low & one registration fee covers all siblings. Also, afternoon tuition is still substantially lower. Substantial military discounts available. See the office for details.

Please take advantage of the early registration date (Jan. 8th starting at 8:00a.m.), especially if you need morning class seats. There are a couple of morning classes that fill that first week. (Sometimes the morning of the first day.)

Preschool * M-W-F 9-11:30

Summer Camp FUN Programs

It is difficult to think of summer when you have just finished with all the hustle and bustle that come with the holidays, and you are settling in for the winter. But you will get the best class selections when you register early for our summer camp.

Summer Camp is fun and safe with us. We do not leave the premises for field trips. Everything you could want is right here at Fit by Five. We bring our visitors to us, so the children never leave the property.

Themes change each week, and the children look forward to the activities planned. They never know what their teachers will come up with next. We have some very creative people on staff.

As always, at Fit by Five you find many different age-bracketed classes. You don't have to search for a different place for each of your children to have a fun class to go to.

Keep in Mind:

- Seven different age-bracketed classes between 3 separate classrooms.
- Most larger families find everything here at one stop.
- One low registration fee ($20) per family
- Family discount of 20% for the 2nd child & 50% for the 3rd child
- Lower priced afternoon program options
- We *PROUDLY* offer a big discount to our military families.
